## Shell Beach Report 8-20-08

Wednesday report from the Beach. On board were David, EJ, John, Ryan, and Chris. The weather was perfect as we pulled out of Campo’s. We headed to an outer island to look for some Trout, but all we found were Sheepshead. We put a few of them in the box and made a move. Tried a few rigs further out in the Sound and it looked like we were getting on a good Trout bite, but it died out fast. We headed closer in into Eloi and the water in there the clearest I have ever seen it. Fishing with live shrimp under a cork the Trout were eating up and it was a blast to be able to see them strike in the clear water. It was a fish on every cast. One of the guys said it was too easy. We left them biting and headed in with 125 Trout and 9 Heads on ice. The guys had a great time.      WE HAVE 4 BOATS WAITING TO TAKE YOU ON YOUR NEXT FISHING ADVENTURE. OUR LODGE SLEEPS 19 ANGLERS, just steps from the boats. Check out the photos of the quality fish we have been on. Give us a call at 504 887 4960 or 504 881 9966 (cell). You'll be glad that you did!!
