

## Shell Beach Report 8-22-08

Fishy Friday on the Beach. My guests for the day were Barry, Rob, and JC. After a stop by Campo's for their famous trained live shrimp we headed out to the Sound. The wind was blowing out the north a little harder than expected, but not too bad. We headed straight to the rig I caught them on the day before and it started out a little slow. We finally figured out how the Trout wanted the bait. On the bottom on a Carolina rig and you had to keep it moving. Once we did the guys started hauling in some good Trout. The bite got good and fast, but we had to cut it short to run from a thunder storm bearing down on us. We made a few moves after that picking up a few fish at each stop. With 80 good Trout and 4 Sheepshead on ice the guys called it a day. They had a great time and were a lot of fun to fish with. &nbsp; WE HAVE 4 BOATS WAITING TO TAKE YOU ON YOUR NEXT FISHING ADVENTURE. OUR LODGE SLEEPS 19 ANGLERS, just steps from the boats. Check out the photos of the quality fish we have been on. Give us a call at 504 887 4960 or 504 881 9966 (cell). You'll be glad that you did!!
