

Shell Beach Report 5-13-08

Banged the Trout Tuesday on the Beach. On board for the day were Steve and Al Miles. The wind was not too bad as we headed out, but knew they would pick up. We made a couple stops in Eloi picking up a couple of Trout and too many Gaftops. Since the seas were still doable we headed out into the Sound. Our first stop we found 20 or so nice big Trout and a couple of big Reds that were released. Our next stop was fast as you could catch um action. The Trout were slamming the cast net caught live shrimp we had and it was a blast. By this time the wind was howling and it made for a slow ride back with a box full of 75 big Trout who cared. The guys had a great time and will be back soon. WE HAVE 4 BOATS WAITING TO TAKE YOU ON YOUR NEXT FISHING ADVENTURE. OUR LODGE SLEEPS 19 ANGLERS, just steps from the boats. Give us a call at 504 887 4960 or 504 881 9966 (cell). You'll be glad that you did!! Capt. Rory
