

Shell Beach Report 6-17-08

Late report for Tuesday from the Beach. Onboard were John Rucker, Bill Bradbury, Josh Bradbury, and David Laizer. We started out on the edge of the Sound fishing with Campo's live shrimp under a cork and got on a good bite of some very nice Trout. The action was fast for a while, but slowed up. We moved deeper into the Sound picking up a few Trout at each stop. The guys also had a blast with some monster Drum and Reds out there. It was a fun day on the Beach and the guys had a great time. Total take home for the day was 101 Trout, 2 Reds, 5 Sheepshead, and 1 Flounder. The Trout are on and the fishing in Shell Beach is outstanding. Campo's is open with fuel, live bait, ice, and the newly improved back down ramps are open. Nice and easy launching with helpful advice from the Campo's is waiting for you. For your next fishing adventure call United Charters, dates are filling fast. Very nice over night accommodations are available. 504-439-1680.
